This year we will welcome more than 500 people from throughout the United States, Canada, the United Kingdom and Greece who will come together to support the charitable and philanthropic efforts of the Greek America Foundation at our signature annual event.

At our various events, we will also recognize dynamic individuals who have a record of professional success as well as tremendous philanthropic achievements

Over the years, the Greek America Foundation's work has been funded by this event.

This year, we need our sponsors' support more than ever given the cancellation of the previous two years' events due to the Covid-19 pandemic.

THANK YOU FOR YOUR CONSIDERATION!
